

Optronic Cabinets Platinum Floor Standing Cabinets

19" Floor Standing Cabinets

The new 19" floor standing cabinet range are high quality, competitive cabinets that offer real value for money in today's market.

All our cabinets consist of an aluminium frame chassis and steel doors, all round access is available via removable side panels while front and rear doors have quick release pins for easy removal. Front and rear mounting angles are fully adjustable through the depth of the cabinet and foam cable entry positions are included in the base.

A robust design and attractive styling combines strength and appearance, ideal for office environments, data networking, broadcast, security and audio visual applications.
